With your timely contribution to the American Red Cross, we are helping our partner society in Haiti to provide critical assistance to the thousands of people affected by the catastrophic earthquake. On behalf of those we serve, thank you for your recent gift in support of our Haiti earthquake relief efforts.

Almost immediately following the earthquakes, the American Red Cross released financial assistance, deployed highly-trained staff and provided supplies such as, hygiene kits, blankets and water containers to support this massive humanitarian relief operation. More than 500 Red Cross and Red Crescent workers from around the world, including 100 from the American Red Cross, are in Haiti distributing food and water, and providing shelter and basic medical aid.

To address growing needs, we are working in close coordination with humanitarian organizations on the ground and our local Red Cross partner, the Haitian National Red Cross Society. For victims of this devastating disaster, our work is the hope for tomorrow. This is a result of generous gifts from donors like you.

Your support could not come at a more critical time for the people of Haiti. The American Red Cross is grateful for donors like you who help us bring hope and comfort to those affected by these devastating earthquakes. As the response evolves, please visit [www.redcross.org/](http://www.redcross.org/) to learn more about your gift at work.

Sincerely,

The American Red Cross
