One stop arts experience!

Programs free of charge:

10 am – 10:25 am Family Music Time – Ages 1-6 with a grown-up.

Play instruments! Move and groove to music! Sing and stir up the musical energy with Miss Mary and Miss Kelli of the Center's Musik Kids Program. The grown-ups and the children participate to make this program a total music experience.

--

10:30 am – 11:10 am School House Symphony – ages pre-k to adults.

The music circles the room — filling the students' ears with melody and harmony. Well known in our region for its exceptional educational program, the six-member ensemble represents the string, woodwind, brass and percussion families. Presented in a relaxed atmosphere, animated and engaging performance starts with things the students already know and explores classical music in an entertaining and interactive approach. A ton of fun!

--

10:30 am – 1:30 pm ART OPEN HOUSE – pre-k to adults.

Did you ever wonder how one becomes an artist? Stop by at any time, do a fun hands-on art project and talk to our art director Miss Melinda! Our brand new Art School opens its doors to those young and young at heart for some fun art activities. A must do!

--

11:15 am – 11:55 am DANCE! DANCE! DANCE! – pre-k to adults.

Do you secretly cha-cha across your living room when you're home alone? Not only is dancing an exceptional way to let loose and have fun, but according to Mayo Clinic, it also provides some terrific benefits for your health. Join Miss Amy for some fun and easy dances! Have two left feet?! NO PROBLEM! You will dance and have fun in no time!

3:00 pm – 3:45 pm Flying Cloud Academy of Vintage Dance – children and adults

Dedicated to the preservation of historic ballroom dance, Flying Cloud members will demonstrate various dances ranging from 1800s to 1950s after which you can join them in learning a step or two. Now in its 29th year, Flying Cloud Academy has kept alive social dances with the music, costuming, and etiquette that were a part of American ballrooms. A must see!
