Dear Families and Students,

It is with great excitement that I accept the position of Executive Director of the Center for the Arts, Wyoming. The Center has been a home to many fine educational programs and I am very humbled to have been selected to continue in leading the Center on its mission of fostering appreciation and skills in the arts, and in serving you.

The experience I bring to this new position comes from my involvement with The Center during the last six years. I have worked as a faculty member in the traditional, Suzuki and Touchstone programs, as coordinator for our Summer String Fling Camps and Touchstone Project, and finally as Interim Executive Director during the summer of 2005 and from September 2007 until now. In addition to my Center experience, I have served in administrative and operational positions with the Starling Chamber and Cincinnati Symphony Orchestras, both domestically and abroad.

My personal commitment is to continue the high standards of service and instruction that you have come to expect from the Center. I will work to further develop our programs and offerings in order to benefit you and the community even more.

I look forward to my involvement with all of you as well as The Center's faculty and staff. In the days to come, I will be visiting classes and personally meeting and greeting as many of you as I can. If we do not get to meet, please do stop by the office and say hello. I would love to talk to every one of you personally. Feel free to e-mail me with any questions or concerns at [finearts@fuse.net](mailto:finearts@fuse.net).

Thank you for your continuing patronage!

Sincerely,

Milan Dukic  
Executive Director
